### Please Note

One of the many benefits of travel insurance is the easy access it affords to professional assistance if **You** suddenly fall ill abroad. However, travel insurance is not a substitute for private medical insurance. It is important to note that cover is only provided for necessary emergency treatment in the event of an accident or unexpected **Illness** that has been approved by **Our Assistance Company**.

There is no cancellation or curtailment cover for a **Pre-Existing Medical Condition** of persons not necessarily travelling but upon whom travel depends, such as an **Immediate Relative**. Please also see general exclusions for additional details of other excluded medical conditions.

**THIS IS NOT A PRIVATE MEDICAL INSURANCE POLICY AND WILL NOT RESPOND IN THE SAME WAY A PRIVATE MEDICAL INSURANCE POLICY DOES.**

Provided the journey was booked before the change of health occurred, **You** may have a valid cancellation claim if **You** have to cancel **Your** journey, or if **We** cannot provide the cover required.

If advised about **Your** change of health, the medical screening helpline will tell **You** if **We** can provide cover for any claim arising from this change of health, and if so, whether any additional premium is required, or any additional terms apply. If **We** agree to cover any change in health, then **We** will confirm this in writing. If **You** do not let the medical screening helpline know about any of **Your** changes of health, then **You** may not have the cover **You** need and it may invalidate **Your** policy or reduce the amount of any claim.
